

Async Labs

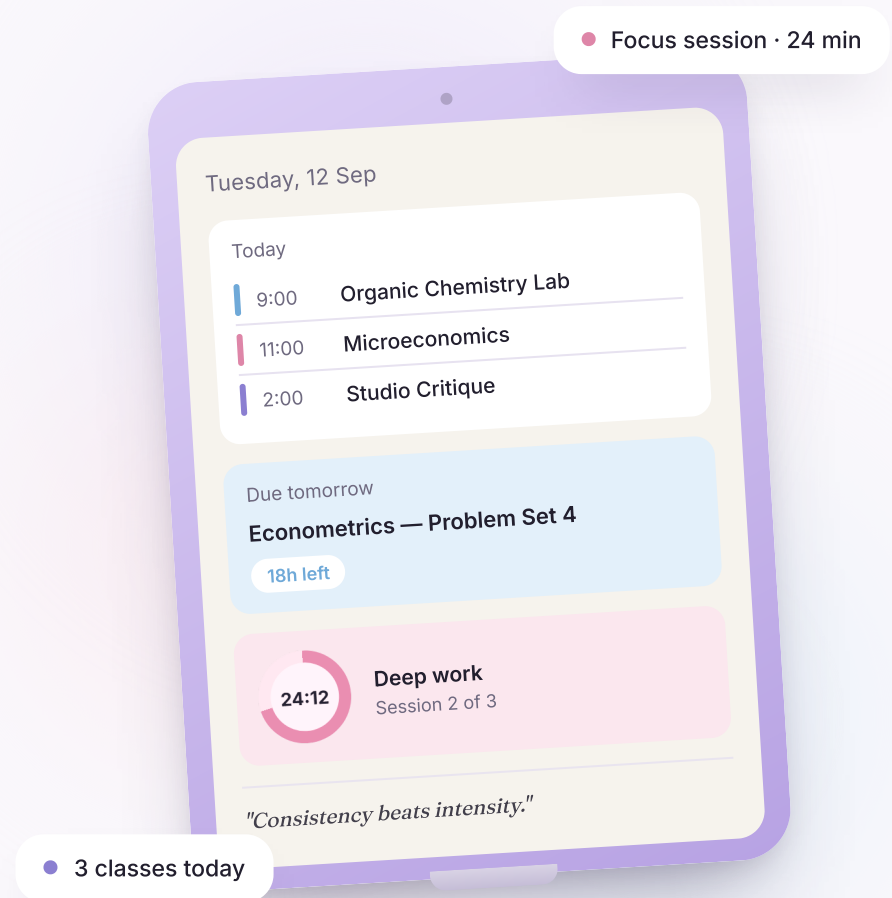

Your study space, at a glance.

Classes, deadlines, focus sessions and the things that matter to you—visible exactly when you need them.

Discover the display

See how it works

Choose your style

Everything you need, without another tab.

Keep your study day organized with the information you check most.

Calendar

Stay on schedule

Keep classes, meetings and plans visible at a glance.

Tasks

Keep priorities visible

See assignments and important tasks without opening another app.

Focus

Stay in flow

Use focus timers to keep study sessions on track.
